

# **Ball & Chain Contest**

**You need 2 people to be team leaders.**

**Take a cardboard box and make it into a Jail cell with bars and paint it black.**

**Then have a poster with a large black circle on it for each team. Each team can add chain links each week to the poster for the following:**

**1 black link for each 1/2 pound lost by team**

**1 white link for each 1/2 pound gained by the team**

**1 black link for each KOPS in leeway**

**1 white link for KOPS out of leeway**

**1 extra black link if team had a net loss**

**1 extra white link if team had a net gain**

**If team has a net gain the team leader must be in the jail until his team has a net loss and bails him out.**

**Team members will bring in black items to join the contest.**

**At the end of the contest the team with the most black links splits the black prizes providing their team leader is not in jail. If she/he is in jail they forfeit the contest to the other team.**
