

## **Best Loser's Gift**

A gift is bought and wrapped. The package is given to the best loser of the week who is instructed to take it home, add another wrapping and bring it back the following week, If that member fails to bring it back with them or to lose weight, they forfeit the gift and it is given to another person. Members must keep the package and add a wrapping for 4 consecutive weeks. If on the 5<sup>th</sup> week they have a loss - they get to keep the package! It's fun to see how many layers of wrapping there are!
