

# **Bikini Contest**

This is a fun Summer Contest. Make cardboard dolls.... (don't have to be perfect. I find it fun to add hair etc to look like the member who gets the doll.) Put names of members on each doll. Find scraps of material (stretch preferred and make a bikini for each doll. (Its easy to put string on corners of material and tie around doll or punch holes in doll to secure bikini.) take cotton balls and stuff bikini. (top and bottom) until each doll looks like the before picture of TOPS members. Each week a member loses they get to pull a cotton ball from the suit of their doll. First doll that becomes skinny (all cotton balls out of suit) wins. I have no KOPS rules but am sure you can come up with a version for the KOPS.
