

# **Brown Bag Auction**

**Each member purchases a 5.00 or more gift and places it in a brown bag (or any bag).**

**The outside of the bag is decorated to a theme. You can do anything to the bag you wish. You can make it as big or as small as you wish. Just put a lot of work into it. Make something to hang on the wall or some craft or something on the bag. It's fun and everyone enjoys it.**

**The bags sit on the table and our auctioneer asks for bids on the bag. We start at \$3.00 usually and we can end up well over \$20.00 like we did one year! We usually have around 60 bags so it takes awhile but it brings in a lot of money!**

**The highest bidder (going once, going twice, sold!) gets the bag and what's inside the bag! Make sure you bring something nice.**
