

Buddy Tree Contest

This contest can run for about 5 weeks.

The rules:

1 leaf for: coming to the meeting (each buddy)

1 leaf for: keeping a menu (each buddy)

1 leaf for: weighing in even though it may have been a gain (each buddy)

1 leaf for: losing (no turtle) (each buddy)

2 leaves for: 2 phone calls to your buddy per week

1 leaf for: a snail mail or e-mail to your buddy per week

You can change the rules for getting leaves according to the season: Snowflakes or Candy canes for winter; Sun, Beach items, etc for Summer; Easter eggs, flowers, etc for Spring.

The most you can accumulate per week is 7 leaves per person or 14 per team.

Have an empty tree with the name of the buddy team on the bottom . The tree fills up with leaves very quickly.

The buddy tree with the most leaves wins.

This is a great contest for teamwork between buddies and making great friendships!

At the end of the contest prizes can be something for the "buddies" to do together, such as a gift certificate to go out and have coffee or have a salad together.....many possibilities for this one!
