

"LOSER LOOT"

Our weight recorders found a small game dollar bill and copied off hundreds of them (we have a lot of members) and they hand them to each member as they weigh in . In a few months we will be having an auction with the LOSER LOOT that we have won! You can either have your chapter members bring in items they would not mind auctioning off or if your chapter fund allows itgo and buy a few small items.

How do you win LOSER LOOT you ask???
