

Poem for a TOPS Halloween:

Halloween again is here!  
That time of year that we all fear.  
Time for spooks and devil horns,  
Time for chocolates and candy corn.

Though tasty, yes, my resolve is strong.  
This time 'round I'll do no wrong.

And then next year when again it's here,  
That candy won't tempt me, and I'll have no fear.

I'll be healthier, and I'll be slimmer.  
No matter my costume, I'll look like a winner!
