

# **TOPS CHARADES**

**Write different TOPS terms on pieces of paper and fold them up (such as: food diary, choice is mine, tops meeting, chapter queen, etc...) divide the group into two to four teams**

**Have someone come up to the front of the room and pick a piece of paper**

**They are then, that item.**

**The teams take turns asking YES or NO questions to the person to try and figure out what they are.**

**If their question is answered with a YES, that team gets one guess as to what the person is.**

**Then you move on to the next team.**

**Keep track of which team gets the most right (if you want)**

**I gave cutout felt blue ribbons for the winners to put on their sashes.**
