

TOPS UNITED

Good contest for any patriotic holiday

Make a poster with a flag outline for each participating member. The area where the stars are is left blank and star stickers will be used in that area. Members will place stars on their flag and color the stripes according to the rules below.

United we lose, divided we gain.
We have seen pleasure, and we have seen pain!
We can stick to it every day
As long as we do it right, the TOPS way.
Join in our fight; we are in it to win.
We are in it to lose, and feel good within.
Together we fight while having some fun -
One for all and all for one!

Contest Rules:

TOPS ~ Each week color in one stripe or put on one star if you lose or stay the same. Also color one stripe or put one star on if you stay for the meeting.

KOPS ~ Each week color in one stripe or put on one star if you are within leeway. Also color one stripe or put one star on if you stay for the meeting.
