

4 fake \$10 bills

from Deb Clary

Our chapter has 4 fake \$10 bills that are laminated and have magnets on the back of them. If a member wants to take one, they must keep it for 4 weeks, weigh in each week with either a turtle or a loss, and on the fourth week they exchange the fake for a \$10 check! You must weigh in each week or you lose the \$10 bill, if you have a gain, you also lose the \$10 bill. Just an incentive to keep you on track as \$10 is a pretty good incentive. Some of our members are reluctant to take them as they always say they are a jinx!!!! They just keep circulating, sometimes all 4 are out, sometimes only 1 or 2, a member will pretty much want one if they've been gaining a couple of weeks in a row, figuring the \$10 will get them back on track.
