

DEALING FOR DOLLARS

Dealing for Dollars Contest - We make up a board with 100 squares and then divide the squares in two. After weighing in, any TOPS with a loss may buy a 1/2 of square. KOPS at or below goal may also buy one. Each square is \$1.00. When all square are FILLED, we use a deck of cards to number the board (like a football square). Then the 2 winners split half the money with the other half going into the SRD fund. Our chapter took in \$200. \$50. to each winner \$100.00 to the fund.
