

Flower Pot Contest

Each member has a flower in the flower pot.

Rules are the same for TOPS and KOPS.

As long as you lose or turtle, your flower continues to grow (stands upright).

If you gain, your flower wilts (bends down to show sad face).

If you lose next weigh-in, your flower grows again (bend back up).

If you gain 2 times in a row, your flower dies (pull out flower).

If you miss 2 weigh-ins in a row, your flower will be pulled out.

Winner

The last remaining flower wins a potted plant.
