

Loser Lotto

Create a game sheet with 44 squares, you can make the game sheet "fun to look at" by decorating it with stickers if you wish.

Create a second page for sign up.

Each member puts in \$1.00.

Every time a TOPS loses, he/she can put his/her name in a numbered square.

A KOPS at or below goal earns a square.

When all the squares are filled, make numbered squares of paper (with the numbers that are on the sheet), put them in a can. The person who's number is drawn wins 1/2 the money that has been collected - The other 1/2 can go into your general fund, your SRD fund or your ARD fund.

This is a fun way for members AND the chapter to get a little extra cash!!
