

# RED MARK CONTEST

Submitted by Nancy Austin

Our group has played a game in the past that most enjoyed. We called it the Red Mark Contest.

Simple to play, if member has a gain at weigh-in, they pay the weight recorder a \$1.00 regardless amount gained.

At the end of 3 months, money was counted as well of the number of weeks a person weighed in, out of 13 weeks in a quarter, we required them to have weighed in 10 times.

Chapter started the fund with \$20.00 from the chapter treasury and if members get a red mark they add to it.

At the end of the contest, the money accumulated is split 3 ways.

Person with least red marks received 1/2 of pot, remainder of money was split with second place receiving 2/3 and third place 1/3.
