

Shamrock contest

Make a poster with an outline of a shamrock for each member....and either paste pieces of green paper that will fill in the outline or color it in with a green magic marker....anyway....the max you can do is 4 petals of the shamrock....so, have them shoot for a pound for a petal....and if the one who loses all four pounds....and gets their shamrock filled in....gets an appropriate prize....like a decorative lapel pin or a flower (silk) or something.
