

White Elephant Sale

A white elephant gift is something you have around the house that you either don't like or can't use. That way no one has to go out and buy a gift.

The only major rules are that the gift be in good condition and that it works. The TOPS member is to decorate the white elephant gift AS pretty or as ugly as they want.

This can be used as a fund raiser or turn it into a contest. A period of time is selected (example 8 weeks).

During this time period if you lose you get a set amount of TOPS BUCKS for each 1/4 pound lost, menu turned in, if you stay for meetings, etc. We also gave BONUS BUCKS if you did a program during the 8 week period.

Everyone is responsible for one White Elephant Gift and a gift for every 1/2 pound you gained during this period.

TOPS BUCKS are available to be purchased the night of the auction.
